

Brindishe Federation Brindishe Lee's Newsletter

Friday 23rd September 2022

Dear families, governors, staff and friends,

It has been another fruitful week at Brindishe Lee. School has been a hive of activity both before and after school, not to mention lunchtimes too, with the varied range of clubs from art club to karate to dance, to name but a few, there is a range of enrichment for your child to choose from and enjoy. Further communication has been sent out this week about our school choir and music lessons.

Last term at Brindishe Lee we enjoyed welcoming back into school our parents and carers for the sharing learning opportunities. We would like to invite parents back into school this term. At pick-up time parents/carers are invited into their child's classroom to look at their learning. This is a wonderful opportunity for you to discuss with your child their learning as well as look at the great work on display. Please refer to the dates listed in the box below for the sharing learning opportunities this term.

Please look on our Weduc platform for key dates and information regarding your child's class. All information regarding updates, trips/visitors, special school events and what your child is learning about will be posted.

Have a lovely weekend!

Kind regards,

Ms Sebire & the Brindishe Lee Team.

Weduc

This where you can keep up to date with regular communication from Brindishe schools. Messages from teachers to all parents in the class will be posted here as well as whole school messages, such as the weekly newsletters, school dinner money payment information, technical issues, changes to school day etc.

Weduc also provides you with an online calendar for you to see any upcoming events. Permission and consent forms are also completed via Weduc for school educational trips and visits.

Creating strong passwords

We need to create passwords for everything these days and it's important that our children not only understand that they shouldn't share passwords with others but also that they know how to create a 'strong' password to keep their information safe.

Rights Respecting at Brindishe Schools - Article of the Week

Article 2 (non-discrimination)

The Convention applies to every child without discrimination, whatever their ethnicity, gender, religion, language, abilities or any other status, whatever they think or say, whatever their family background.

Article 30 (children from minority or indigenous groups)

This week's articles are linked with International Day of Peace, observed around the world each year on 21st September. Children at Brindishe use existing strategies such as mindfulness and calming techniques to ensure their learning environments are peaceful.

Black History Month takes place in October every year and is a celebration of key figures and events in Black history. Having begun in the USA, it has been celebrated in the UK since 1987, with the emphasis on celebrating particularly the history and contributions to society of people with an African or Caribbean heritage.

There is a different theme every year, for example in 2021 the theme 'Proud to Be', aimed to recognise the achievements and contributions that Black people make to the UK every day. The 2022 theme, Time for Change: Action Not Words highlights the importance of being an ally and coming together around shared common goals to achieve a better world for everyone.

In Brindishe Schools we will continue to recognise the contribution and achievements of those with African and Caribbean heritage throughout history, ensure that we hear a diverse range of stories when considering the past and celebrate people's heritage and cultures.

[Watch these children](#) talking about Black history with their parents. Who could you have a conversation with about Black history? What could you tell them about what Black history Month is and why it is important?
