

Dear Parents/Carers of Reception,

The children had a wonderful busy term and the adults are very impressed with the way they have settled into the structure and daily routines of school life.

Autumn Term Two

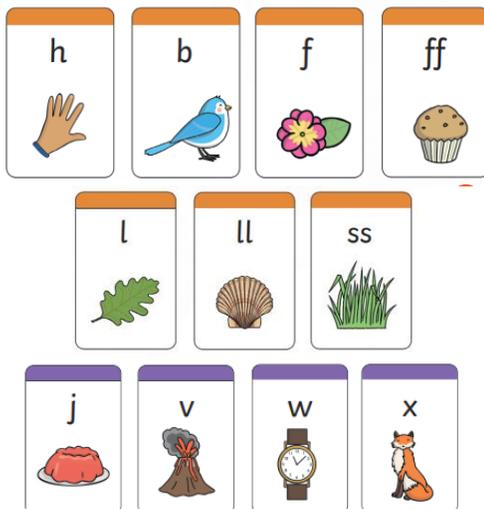

This term our learning theme will be 'Dragons and Dinosaurs'. We will continue to focus on our Social and Emotional development as well as our Communication and Language skills. During the term there will be lots of opportunity for the children to discuss different festivals and holidays that they, or their friends, may celebrate. There will be lots of opportunity for children to share their personal experiences and learn from others.

Below are some books we will be using throughout this term.

This term we will continue to learn our phase 2 sounds and begin to learn phase 3 sounds. We will continue to learn how to blend sounds together to read and write CVC words. Below are the sounds that we will be learning.

We will continue learning new tricky words, these are words which can't be sounded out phonetically.

Please feel free to ask us if you have any questions or you need any further support.

A few things to remember:

Please make sure you have your book bag and a bottle of water in school with you EVERY day.

It is also a good idea to label your child's clothes, especially cardigans, jumpers and hats!

PE will be on the following days:

Adeola (Miss Snaith) - Wednesday and Thursday

Jeffers (Mrs Da Silva) - Tuesday and Thursday

The children will not be getting changed for PE, please can you ensure your child has suitable footwear so that they can take part in simple physical activities. We will focus on things such as spatial awareness, running games and target practice.
