

English (writing focus)

On Thursday it was National Poetry Day. Explore the poetry resources on BBC teach, specifically Joseph Coelho's videos on Understanding Poetry. <https://www.bbc.co.uk/teach/class-clips-video/articles/zdhhbqp3>

Choose a video that interests you and have a go at writing your own poem. It could be on this year's theme: *'wonder.'*

Use your imagination and creativity but most of all, have fun!

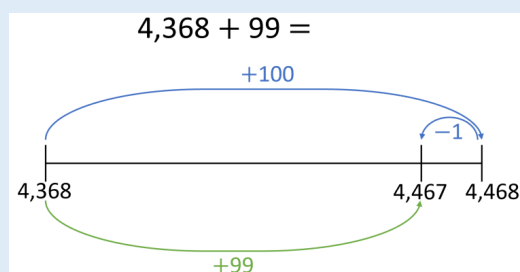

How to have fun writing poetry

Joseph Coelho explores onomatopoeia, phonics and all the ways you can have fun writing a poem.

Maths

This week in Maths we have started our unit on Addition and Subtraction. We have explored mental strategies such as partitioning and adding near numbers and then adjusting the answer (example below).

Have a go at these questions choosing your preferred method. Remember, these are mental strategies but you can jot down notes to help you.

Challenge

Zoe thinks of a number and adds 2988. She then subtracts 1100.

Her answer is 8888. What number did she start with?

Art

This half term we are learning about typography. Why not create your own collage full of typography you have found that you like!

This could come from:

Newspapers

Magazines

Recipes

Posters

Create a collage about a topic of your choice.
