## What has been happening this week?

This week our Nursery and Reception children visited The Unicorn Theatre to see The Koala Who Could. The Nursery and Reception teams said that the children thoroughly enjoyed the production and listened very attentively for the duration. We would like to thank all of the parents and carers who were able to accompany the children and support us on the two days.

It was lovely to see so many families attending our open classroom on Wednesday. We trialled the earlier start (from 3pm) and it seemed to work well, giving families a little bit more time to access multiple classrooms. The final open classroom of the year is on Thursday 10<sup>th</sup> July from 3pm. If you can not make it please do not worry, as some of the children's learning will be coming with them at the end of the academic year with them, for you to have.

## What is happening next half term?

Our final half term of the year is always a super busy one and we have lots of events happening across the school, many of them are listed below. Please look out on for any other events that are added throughout the half term.

The roof of the building next to our large play equipment, which we use for DT, art and after school club, has now been replaced and we are beginning to complete the internal work that is needed before re-opening. We are now awaiting the repair to the shelter roof. Over the Summer we are having some of our windows replaced and the toilets refurbished for the children. We can't wait!

Please contact Lisa in the office if you can walk with the children from school to the track.

## Reporting absence

If your child is absent from school please call the school office to let us know. You can leave a message on our absence line.

Lisa is extremely busy in the morning and is spending lots of time calling families to find out why children are absent. Thank you for your support with this.
