## What has been happening this week?

This week has been very busy, with so many wonderful opportunities and activities for the children. On Monday Escher year 6 class visited The Garden Museum in Southwark and had a great day learning more about sustainability and the environment. If you would like more information about the museum, then please see the following link:

Yesterday we welcomed the Lewisham Migration Museum, who came and led workshops for all of our children. The feedback was overwhelmingly positive, with children learning about the difference between migration and immigration and learning about people's migration stories. Some children were able to share their own stories and those of people they know. Thank you to Katy Clinch who organised the workshops for us.

We also welcomed families to the PSFA World Food Night, which was such a wonderful evening for our school. Lots of people brought food to share, from Jollof rice, French cheese, a Turkish spread and Argentinian and Brazilian deserts. A big thank you to all those who brought along food, as we would not of been able to host the event otherwise! A big thank you to the PSFA for putting the event together and to Ruth, one of our parents who led the children in a Ghanian dance.

## Key Stage Young Voices Concert

Our Key Stage 2 choir are very busy learning their music for The Young Voices Concert, which is taking place on February 23<sup>rd</sup> If your child is in the Key Stage Two Choir and attending the concert, please make sure they have access to the music and videos online and are learning the music at home.

## Number Day 2026

A huge thank you to all the parents and carers who have offered to come to school next Friday and share their experiences of working with numbers in their jobs! We have so many of you coming in to talk to the children, which we know they will really enjoy!

Please remember that if your child would like to dress up as a number or as some number, digit or maths symbol etc then we can't wait to see them.
