## What has been happening this week...

This week we held our Federation Year 4 - Year 6 sports day at Ladywell Track in Lewisham. The children took part in a range of sporting events, including the long jump, shot put and different distances on the athletics track. The rain held off until the end of the morning, so we are really pleased that we went ahead. A big well done to the children who encouraged one another and took part in everything that was on offer. A huge thank you to all our parents who came to support the children and who offered their time to walk with us down to Ladywell and back again (despite the rain).

## What is happening next week?

As we approach the end of the year we have a number of end of year assessments that we complete and transition activities for the children. We have outlined them below

Children complete their phonics assessment with their class teacher throughout the week. Their results will be sent to you with the end of year report.

#### **Year 2 end of Key Stage teacher assessment period.**

Children in Year 2 no longer complete National statutory testing (KS1 SATS), but schools complete a range of assessment systems to assess children at end of Key Stage One. You will have already received a letter explaining this if your child is in Year 2

### Friday 10<sup>th</sup> July

## School Review

This week we held a review of teaching and learning, led by external reviewers and Lewisham Headteachers. They visited learning across the school, a number of times, met with lots of children to talk about their experiences and monitored the children's learning in books. They were really impressed with the focus and attention of the children in lessons, their commitment to challenging themselves and how teachers adapted learning to suit all of the children in the class. Once we receive the report we will be able to share some of our highlights and next steps with you.

## Parent Survey

Please be reminded that our annual survey has been sent to you this week and is open until Wednesday 10<sup>th</sup> June. We really do welcome your feedback and appreciate when people explain in more detail their reasons for their feedback. We encourage all our families to complete the survey. It only takes a few minutes!
