What has been happening this week?

This week we have had a number of Christmas/ festive performances. Year 2 completed their Nativity, which was simply fabulous! The singing was incredible and the teamwork from the children was a joy to witness. we hope you loved it as much as the children did.

Reception, Year 1 and Year 3 have also had their festive performances and sounded fabulous. The joy of singing together really does put a smile on everyone's faces and I know the parents who could come and watch would agree it was a pleasure to be in the audience.

Christmas Lunch - This week staff and children enjoyed their Festive lunch and 'wear something festive' day.

A huge thank you to Molly, Nadine and the kitchen team for all their hard work in making sure all the children had a great experience.

Sporting equipment - Another huge thank you to parents and carers who supported the children with our Olympian visit a few weeks ago. Your fundraising meant that the sports company that arranged the Olympian's visit gave us a £4000 voucher for sports equipment. This week we had new basketball hoops and netball posts arrive, lots of new play equipment for our after school club, sports equipment for our PE lessons and a big selection of resources for our youngest children in Nursery, Reception and Year 1. It has made a real difference to the children and will do for a long time to come!
