

### A message from the Head ...

I hope you are all well and continue to be looking after your loved ones in these challenging times. I know we will all continue to turn to each other in the days and weeks ahead. I want to say a huge 'thank you' for all the kind and supportive emails I have received over the past couple of weeks. It really is appreciated and provides us all with a great deal of hope and strength. As you will note below, we have been busy providing a childcare service at Brindishe Green for our families who are keyworkers. You are all in our thoughts keeping the country going. Please be kind to yourselves and each other. Please keep in touch and I wish you all the very best for the Easter holidays. Stay safe everyone and remember the government guidance!
