

**Friday 3rd July 2020**

Dear parents, carers, staff, governors and friends,

**KEY WORKER and VULNERABLE CHILDREN PROVISION**

Since 23<sup>rd</sup> March, we have provided a provision for our key worker and vulnerable children during term, half term, Easter and bank holidays. As of 21<sup>st</sup> July, the last day of term, this support for parents **will be closing** for the summer. Time is needed for staff to have a break, the school to have a full deep clean, essential works to be carried out and for us to be able to set up ready for September.

In order to support families with childcare, a holiday club will be run by Sportacus during the summer holidays. If you are interested in accessing this, please see the flyer attached and contact them **directly**. Places cannot be guaranteed due to numbers and the need for social distancing measure to be in place.

**PLEASE SEE THE FLYER ATTACHED AT THE BOTTOM OF THIS NEWSLETTER**

We would kindly ask that if you are **able** to keep your child/ren at home on Monday 20<sup>th</sup> and Tuesday 21<sup>st</sup> then that would really help us run smooth transition sessions for all of our children in Years 2 – 5.

**Transition Information**

For children in Years 2, 3, 4 and 5 we would like to offer an opportunity to come in to school to say goodbye to their current class teacher and (in most cases) meet their new class teacher. These sessions will take place on Monday 20<sup>th</sup> July and Tuesday 21<sup>st</sup> July.

**We cannot guarantee that your child will be with particular children for this session.**

Please look carefully at the following list and make sure your child attends at the correct time – **this is really important as we need to maintain social distancing rules.**

## FOOTBALL - MULTISPORTS - DANCE

During the past 14 weeks, Sportacus coaches have been entrusted by schools across London and Kent to provide sports sessions, PE classes, learning mentors, classroom assistance and lunch time support for vulnerable, and key worker children and more recently children who have returned to school.

We have worked closely with senior leadership teams from different trusts covering 12 schools and are highly experienced in working under the unprecedented conditions of the past few months. It is our message to you that we will exceed expectations when it comes to your childrens safety while in our care and while the threat of COVID 19 is still present. Separate play/eating areas, capped group numbers, one way systems, regular hand washing and encouraged social distancing are just a few of the measures we will be taking to ensure the risk of infection is as low as it can be.
